

## **SAVE THE DATE—OCTOBER 8, 2009!**

The UCLA Center for Health Policy Research cordially invites Graduate and Upper Division Undergraduate Students to attend a **FREE** conference:

### **Research Opportunities to Reduce Health Disparities: The California Health Interview Survey (CHIS)**

**Thursday, October 8, 2009, 9:00 AM—4:30 PM  
Charles Drew University of Medicine and Science  
Keck Auditorium, Los Angeles, CA**

Students interested in expanding their careers by exploring minority health research opportunities are encouraged to attend this exciting event. Space is limited to 60 students.

- *Discover CHIS, the nation's largest state health survey & a rich data source on minority racial/ethnic groups.*
- *Learn how to use CHIS data to conduct research on minority health.*
- *Use CHIS to investigate health disparities & make a difference in health policy.*

Register online NOW at: [www.healthpolicy.ucla.edu/minorityhealth/](http://www.healthpolicy.ucla.edu/minorityhealth/)

For further information contact PHI: [christymmccain@cruzio.com](mailto:christymmccain@cruzio.com) or call 831-427-4925.

Sponsored by the California Endowment in collaboration with UCLA Center for Health Policy Research, the Public Health Institute, Charles Drew University of Medicine and Science, and the Southern California Public Health Association.
