### Graduate Student Researcher (GSR)

**Job Description:**

Under the direction of the Survey Methodologist/Technical Survey Manager of the California Health Interview Survey (CHIS) at the UCLA Center for Health Policy Research, GSR will assist with methodological research projects utilizing CHIS data.

**Responsibilities:**

- Conducting data analysis
- Developing literature searches and reviews
- Assisting in the drafting of scientific papers, methodology reports, summary reports and grant proposals

**Qualifications:**

- Graduate student in Public Health, Public Policy, Sociology, or a related field
- Experience working with population surveys and data sets using SAS, SPSS, or STATA
- Familiarity with public health issues, research methods, and statistics
- Excellent grasp of the English language, with strong writing and editing skills
- Strong oral communication skills in order to report effectively to senior staff
- Proficient knowledge of MS Word, PowerPoint, Excel, and Internet
- Strong organizational skills and demonstrated ability to appropriately prioritize work and manage competing deadlines without compromising quality of work

**Other Details:**

50% time during Winter Quarter of the 2009-10 academic year. Salary and GSR level commensurate with education and experience.

**How to Apply:**

Please submit letter of application and resume to Karen Markus, Personnel Manager, UCLA Center for Health Policy Research, 10960 Wilshire Blvd., Suite 1550, Los Angeles, CA 90024 (UCLA mail: Campus Mail Code 714346). Resumes may be faxed to (310) 794-2686 or emailed to [kmarkus@ucla.edu](mailto:kmarkus@ucla.edu).
